These terms and conditions will govern each party's rights and obligations relating to Snovasys provision of Snovasys Consulting ("**Consulting Services**") or Snovasys Technical Support ("**Technical Support Services**") services here under. b. Administration of Form/SOWs

Customer may request services at any time. If Customer requests services and Snovasys agrees to provide such services, the parties will enter into a SOW. All references of entering into a contract could be of verbal or written form. Nothing in this MSA will require either party to enter into any particular Form/SOW; either party may, in its sole discretion, elect not to enter into any Form/SOW. An individual SOW will become effective and binding between parties only upon execution by authorized representatives of both parties. Each individual Form/SOW will reference this MSA and contain such additional information and provisions as the parties deem necessary, including, as appropriate, the following:

Alternatively, at Snovasys option, Snovasys may terminate the Form/SOW for cause, or Customer may terminate the Form/SOW for convenience.

Neither of the parties will be bound by any conditions, definitions, warranties, understandings or representations with respect to the subject matter other than as expressly provided in this MSA. This MSA may only be modified by a written document signed by duly authorized representatives of the parties. This MSA will not be supplemented or modified by any course of dealing or trade usage. l. **Severability**

If any term or provision of this MSA is deemed by a court of competent jurisdiction to be overly broad in scope, duration or area of applicability, the court considering the same will have the power and is hereby authorized and directed to limit such scope, duration or area of applicability, or all of them, so that such term or provision is no longer overly broad and to enforce the same as so limited. Subject to the foregoing sentence, in the event any provision of this MSA is held to be invalid or unenforceable for any reason, such invalidity or unenforceability will attach only to such provision and will not affect or render invalid or unenforceable any other provision of this MSA.

The parties acknowledge that Snovasys is an independent contractor and that it will be responsible for its obligations as employer for those individuals providing the Services.

n. **Subcontracting**

Snovasys may subcontract any portion of the Services to a third party contractor without Customer's prior consent, provided that Snovasys remains fully responsible to Customer for the provision of Services.
